FOR YOUR INFO

SPRING 2023 CAREER FAIR

Help your students prepare for the Spring 2023 Career Fair on **Tuesday, January 31!** This year's fair will be held in the HPER from 8:00 am–2:30 pm. Students can register ahead of time and receive a pre-printed name tag. Let students know how important it is to connect with employers who will be there. Students can start to make a plan today with the **Career Fair + app** (from a desktop or mobile device).

CAN THE SAINTS!

Montana Tech, ASMT, and Carroll College have organized a **Can the Saints/Can the Diggers** food drive to stock our food pantries. ASMT will donate the remaining food to the Butte Emergency Food Bank, Rescue Mission, and Salvation Army. Food collection will end on February 9. Collection boxes are located throughout the campus and Butte. Campus locations include outside the Food Pantry in the SUB, the lobby of the Mill, the main floor of the SSC, the URC, the HPER lobby, outside the Library, the MBMG in the NRB, and Highlands College. WET, ACE Hardware, Dig City, NorthWestern Energy, Headframes, the Butte Country Club, and Three Bears Alaska have bins at their businesses. Let's all step up and give back to our community! A box for food donations will

also be at the final match-up game between Tech and Carroll on February 9 in the HPER to conclude the competition.

AUTOMATIC DOORS

Do you have an event coming up, and will need the automatic doors to your building unlocked outside of their regular scheduled times? Do you have a researcher that needs after-hours access to a certain building? Do you need your building to lock down earlier than usual for a week? The DiggerCard Center is here to help! Simply email mhaldane@mtech.edu with all the pertinent details, and Mike can make the necessary adjustments for you! If you have questions or concerns, please email Mike Haldane in the DiggerCard Center.

RECREATION ECONOMY FOR RURAL COMMUNITIES FORUM

The Recreation Economy for Rural Communities (RERC) would like to invite you to Butte's Community Forum to discuss the future of our town's outdoor recreation economy. Butte has been selected by the RERC to receive grant money to improve the outdoor recreational opportunities for our incredible community. Please join us on **Monday, February 27** from 5:00 pm to 8:00 pm to engage in the Community Meeting and again on **Tuesday, February 28** from 9:00 am to 5:00 pm to be a part of creating the Action Plan. Both events will be held in the Copper Lounge. Food will be provided on both days. This is a great time to voice your hopes and dreams for the future of Butte even if you pop by for a short while on either day of this event. If you have questions, please email cbigbee@mtech.edu or call 496-4292.
