FOOD WARS

ASMT's Food Pantry and Campus & Community Committees are proud to present Food Wars again. This year we are trying to top the food we collected last year: 6,000 items.

Food Wars will take place from **November 14 through the 17**. All students, clubs, faculty, and staff teams are invited to participate. Food Wars is a campus-wide event that allows students and staff to get involved in the community. The challenge is to have your team collect the most food by November 17. ASMT will collect the food starting at 5:00 pm on November 17. All the food will be donated to our local food pantry, the Butte Emergency Food Bank, the Rescue Mission, and Salvation Army. Club officers, faculty, and staff team leaders, please sign up your team here by **November 11**. When you sign up, please specify where you would like your donation box centered.

The top three clubs who collected the most food will win \$300, \$200, and \$100 for 1st, 2nd, and 3rd place prizes, respectively. The top faculty and staff team will win a "Food Wars Champions" trophy with a gift basket, and 2nd place will receive a gift basket. Winners will be announced on November 18.

Be aware that parking may be limited and alternative forms of transportation may be required to get to main campus. Tech Day is scheduled to run from 9:00 am to 3:00 pm, so please plan accordingly. We apologize for any inconvenience this may cause and greatly appreciate your understanding.

In addition, if you see any Tech Day visitors on campus please feel free to welcome and engage with them. This is your opportunity to welcome future students into the Oredigger family!

Please share your feedback [here](#). The survey is anonymous but if you wish to get in contact with this committee feel free to email the student co-chairs Maria Burke, mburke1@mtech.edu, or Evan Guengerich, eguengerich@mtech.edu.
