FOR YOUR INFO

VACCINATION CLINIC

A free COVID booster and immunization clinic for all faculty, staff, and students will take place on **Wednesday, February 22**, from 9:00 am to 1:00 pm in the Copper Lounge. The clinic will provide Moderna and Pfizer COVID boosters, Tdap, and HPV shots.

CAREER FAIR SUCCESS

Montana Tech experienced phenomenal growth during this academic year with employer attendance at career fairs. Both fall and spring fairs were recording breaking, with 31% growth for fall and a 34% increase in employers attending to meet Montana Tech students! The 2023 spring fair was the largest the university has hosted since its creation in 2009. The spring fair saw 102 employers attending (11 new companies) and 194 students pre-registered, and 302 people signed in (including faculty and a high school student).

TICKET GIVEAWAY

The Clark Fork Watershed Education Program (CFWEP) is giving away two free tickets to *Our Planet: Live in Concert* at the Mother Lode Theatre on February 19 at 4:00 pm. **Want a**

chance to win? CFWEP will post daily trivia questions to their Facebook page (@cfwep) that go along with the conservation theme of Our Planet. Comment your answer to be entered to win. Each user can enter once per post. The winner will be randomly chosen on February 16 and contacted via Facebook to confirm. You must be 18 or older to enter. No purchase is necessary. Sweepstakes are not sponsored by Facebook.

PROCTORED EXAMS

If you need an exam proctored for a student, please fill out the [Testing Center Request Form](#). Faculty must fill out the form at least **three days before** the exam(s). Starting February 13, there will be **no more exceptions** to this policy. The Testing Center Request Form can be found linked above, under the “Faculty and Staff Resources” on the [Disability Services page](#), or on the [Testing page](#).

THESIS DEFENSE: Tam Nguyen

You are invited to attend Tam Nguyen’s thesis defense on **Friday, March 3** from 3:00-5:00 pm in Main 209. The thesis defense is titled, “Mechanical-Speed vs Electrical Frequency Feedback Control of Energy-Storage Systems for Transient Stability Improvement.”
