## **REGISTER FOR THE CAREER FAIR**

The 2024 Spring Career Fair is **Monday, January 29th** starting at 8:00 am. Students should register today and check out all the employers who want to hire them. Go to [DiggerRecruiting-DR 2.0](#) using the SSO ID to sign up for the event. Be sure to upload resumes early to ensure timely feedback in time for the career fair. This year we will be utilizing an online check-in system for the career fair. Students will need to download the [CareerFair+ App](#) to check into the fair, share their resume and contact info with employers, and schedule interviews.

## **RESTORATION SEMINAR**

Paul Helfrich will be presenting at the Restoration Seminar on **Wednesday, January 24** on metal biogeochemistry and its role in microbial ecology. The presentation will take place at 4:00 pm in CBB 102 or via [Zoom](#) (Meeting ID: 809 901 8311, passcode: Seminar.)

## **CAREER FAIR VOLUNTEERS NEEDED**

Career Services is looking for volunteers for the 2024 Spring Career Fair on **January 28th, 29th, and 30th** in the HPER (SUB on the 30th). Please check out the [Career Fair Volunteer Sign Up Sheet](#) to pick a slot that would work for

you. We need volunteers in the afternoon on the 28th and the morning and evening of the 29th. Please see the above link for details. The Career Services team appreciates your help.

## DRIVER SAFETY FOR CAMPUSES

You are invited to attend a two-hour Driver Safety Course full of information on driving a large vehicle with occupants or gear for the university system. The course is designed to educate drivers on operating a wide variety of vehicles for MUS campuses. It expands coverage of defensive driving tips applicable to all motor vehicles while retaining information about the special techniques needed to safely drive the full-size sport utility vehicles and small buses still used by campuses. It also explains Board of Regents' driving policies and the stricter policies set by some campuses. Finally, it teaches what a driver should do if they are involved in a crash while driving on MUS business. **There is no cost to attend this class! Click [here](#) to register.**

## 2024 MBMG SCREENSAVER

The 2024 MBMG screensaver, with stunning photos of Montana geology, scenery, and wildlife, is available! As always, photos were taken by MBMG staff or their families. Hope you enjoy the pictures!

**Windows users:** This [link](#) will download the screensaver for Windows computers. The link is also available from the homepage and the Publications of Special Interest page of our website.

**NOTE:** as this is an .exe file, your computer will warn you about installing it. Just click "details" and click past the warning. It doesn't have a virus.

**Mac/other users:** All the files are available to view or download individually from a Google Drive folder, at the link below. The photographer's name is the first part of the file name.

Thank you so much for sharing your photos with us.

## ATTENTION ZOOM USERS

Zoom will be **enforcing minimum versions on February 3, 2024**. Users who are running an end-of-life version after February 3, will be logged out of their Zoom Client (Desktop, Mobile, and VDI), or not be able to join meetings via the Zoom Client until they update. The minimum version is 5.14.5. The current version is 5.17.0. If you click on the icon for Zoom on your desktop, it will tell

you what version you currently have at the bottom. If you need to update, then try downloading the Zoom Desktop Client from the download center: <https://zoom.us/download>. If that doesn't work, you might have to go to your control panel, program and features, and uninstall the old version of Zoom. Then you can try to install the updated version. If you need help, please contact Kathy Stevens [kstevens@mtech.edu](mailto:kstevens@mtech.edu).
