NEW IRB SUBMISSION SYSTEM TRAININGS

Beginning **January 1, 2024**, the University of Montana IRB will begin to use the web-based system Cayuse Human Ethics for managing human subject research studies. Cayuse Human Ethics is an electronic protocol management platform that is cloud-based, user-friendly, and secure. Cayuse Human Ethics will be used to prepare and submit all initial human subjects research studies, as well as make modifications, request renewals, and report incidents.

Cayuse HE training sessions will be offered **via Zoom** on the following days/times:

Tuesday, November 7, 10:00 am-11:00 am – register here

Thursday, November 16, 12:00 pm-1:00 pm – register here

Wednesday, December 6, 10:00 am -11:00 am – register here

Registration links can also be found on the UM IRB Cayuse HE homepage. You can also schedule a one-on-one or small group training session by emailing irb@umt.edu. Please include the date and time you are wanting to schedule your training. To find out more information about the Cayuse HE platform, click here.

VETERANS DAY EVENTS

The Montana Tech Veteran Task Force would like to honor those who served our country. We will be passing out pins at Highlands College on **Tuesday, November 7** at 11:00 am and on the north campus on **Thursday, November 9** at 11:00 am in the SUB. Please support our veterans by picking up a pin at either campus!

CELEBRATION OF LIFE FOR PAUL SAWYER

A celebration of life for Paul Sawyer will be held on **Tuesday, November 7**, from 3:00 pm to 5:00 pm in the Bob and Pauline Poore Room on the 2nd floor of the Frank and Ann Gilmore University Relations Center.

AISES FUNDRAISER

You are invited to a pint night fundraiser for the Montana Tech American Indian Science and Engineering Society (AISES) at Butte Brewing and Pizza Co. on **Wednesday, November 8** from 5:00 pm to 8:00 pm.

MAMMOGRAPHY COACH ON CAMPUS

Due to technical issues, the on-campus mammography event set for last week has been reschedule to **Thursday, November 9**. The Montana Tech Foundation is partnering with St. James Intermountain Healthcare to host the

new Mobile Mammography Coach on campus on Thursday, November 9, from 8:40 am to 3:00 p.m. The mobile coach will be parked at the Frank and Ann Gilmore University Relations Center (1428 Granite Street), and the Butte-Silver Bow Health Department will be on hand to assist patients. We encourage you to schedule your screening mammogram ahead by calling 406-723-2950, ext. 1. Walk-ins are also welcome. All participants should bring their insurance card and driver's license. Participants will receive a gift bag and Montana Tech Basketball tickets. For more information, email Shannon Panisko at spanisko@mtech.edu.

DOUBLE BALL TOURNEY

On **Tuesday, November 14**, the Montana Tech American Indian Science and Engineering Society (AISES) will host a Double Ball event at 6:00 pm in the HPER. Double Ball originated as a Native American sport similar to lacrosse. This is a fun, competitive game.

SAFE ZONE TRAINING

Safe Zone Training is designed to provide information, expand of resources, and teach the language used in the LGBTQ2S+ community. The following trainings will take place:

November 14: Safe Zone Training at Highlands College room 123, 9:00 am–11:00 am

November 14: Safe Zone Training at Montana Tech Copper Lounge, 12:00 pm–2:00 pm

If you have questions, please email ccrooker1@mtech.edu.

CAREER CLOSET DONATIONS

Career Services is still accepting donations of professional clothing for our Career Closet. Please drop them off at Career Services (URC 109) or contact Sierra Hancock (4831) for details.

UPCOMING CAREER OPPORTUNITY EVENTS

Career Services is working with employers to help find students jobs and provide workshops that will help you on your journey to find an employer right for you. We have arranged for several to come to campus. Go to [DiggerRecruiting-DR 2.0](#) using the SSO ID to sign in and register for any of the following upcoming events.

SOFTWARE UPDATES

- If you connect it, protect it. Outsmart cyber criminals by regularly updating your software.
- Any device that connects to the internet is vulnerable to risks. The best defense is to keep device security software, web browser and operating systems up to date. Turn on auto-updates!
- All those update alerts from your software are important to install! Not only do they fix things that might be buggy, but they also patch up any security flaws.
- Pay attention to software update alerts and set your software to auto-update—it's an easy way to keep things safe. Set it and forget it!
- Outsmart cyber threats! Hackers are always looking for vulnerabilities to exploit. Stay ahead by enabling automatic software updates. Stay safe, stay updated!
- The power of timely updates! Automatic software updates work silently to protect your devices. Say goodbye to outdated software and embrace the power of the latest features, enhanced performance, and tightened security.
