### **MONTANA MINING AND MINERAL SYMPOSIUM**

Join professional and amateur mineralogists, geologists, and miners as they share their knowledge of mineral deposits and stimulate interest in pursuing new studies and discoveries. The Montana Bureau of Mines and Geology is pleased to host the 2023 Montana Mining and Mineral Symposium **September 27–30** at Montana Tech. For more information or to register, [click here](#).

### **MONTANA TECH MINERAL INDUSTRY SYMPOSIUM**

The Montana Tech Mineral Industry Inaugural Symposium will be held on **October 6, 2023** in the Copper Lounge. The symposium combines presentations by industry with students who, in this case, are predominantly registered in Seminar or Internship. The symposium will lead off with a plenary by Dr. Marc LeVier, 2023 SME President, with a presentation about *The Future of Mining in a 21<sup>st</sup> Century Economy*. Marc has a BS and MS from Michigan Tech and an Honorary DSc from Montana Tech.

### **SWEeT RACE FUNDRAISER**

The Society of Women Engineers is hosting their annual SWEet Race 5k and 1-mile fun run to raise money for the Susan G Komen Breast Cancer Foundation. The race will be held on **Saturday, October 14** at 9:00 am in the Three Bears Parking Lot. Register [here](#).

## CAMPUS HOSPITALITY

Please review the information below along with the [hospitality policy](#) and the [hospitality form](#) that relates to Campus Hospitality. When requesting services through Sodexo (or other vendors if Sodexo is not available), a Hospitality Form must be completed and turned into [accountpayable@mtech.edu](mailto:accountpayable@mtech.edu) 7 days before the event takes place.

**Occasions for which the expenses of official hospitality may be approved are limited to the following:**

1. When the campus is host or sponsor of a meeting of a learned or professional society or organization, the cost of meals or light refreshments may be defrayed by the unit;
2. When the campus hosts official guests or prospective appointees for positions requiring specialized training or experience of a professional, technical, or administrative nature, the cost of meals or light refreshments may be defrayed by the campus;
3. When meetings of an administrative nature are held which are directly concerned with the welfare of the campus, the cost of meals or light refreshments may be defrayed by the unit. Where meals are involved, they must be a necessary and integral part of the business meeting;
4. When meetings between students and faculty or administrators are held, only the cost of light refreshments may be defrayed;
5. Receptions for special ceremonies may be approved by the president, chancellor, appropriate vice president or director of student services; and
6. Expenses relating to recruitment of prospective students are not considered hospitality and are not included in this policy. These expenses are part of a campus's normal function and as such may be approved by the appropriate department chair, director or dean.
