Montana Tech Career Fair Company-Led Informational Workshops

Recruiters attending the Career Fair have the option to present a workshop (either virtual or in-person) or be on a panel of presenters. This is an opportunity for recruiters to use real-world experience to share career strategy tips with students.

Workshop topics can include:

- Resume Tips from Employers
- Interview Success Strategies
- Marketing Yourself to Employers
- How to Make the Most of the Career Fair
- and other various career-related topics

To be a presenter or panelist, please select the Workshop option under item fees in your Career Fair registration in DR2.0 - DIGGERecruiting. Career Services will contact you for more details.

Any questions or comments, please contact Ariel Riccardi, Career Fair Coordinator, at ariccardi@mtech.edu or by phone (406) 496-4628.

Thank you!
