

**2004-2005
INTERNSHIP SURVEY**

This annual internship survey is conducted for the purpose of presenting information reported to Career Services by students who have accepted degree-related work experiences. (The data should be viewed only as an information resource since the responses to requests for information is voluntary and does not reflect information for all students in degree-related work experiences.) This summary is also completed as part of our continued effort to increase and expand our institutional effectiveness.

Non-Engineering Degrees.....	103	Associate of Applied Science.....	11
Engineering Degrees.....	185	Freshmen.....	26
Number of Participating Employers...	158	Sophomores.....	36
Academic Credits Generated.....	606	Juniors.....	89
